Dear Michael:

Please find enclosed a letter from one of my constituents, Mr. Thomas Wilkins of Weirton, WV. Mr. Wilkins contacted my office with concerns regarding the FCC's proposed rules for the implementation of broadband over power line (BPL). I have forwarded Mr. Wilkins's letter to you so that you may be made aware of his concerns. I would appreciate it if you would respond directly to Mr. Wilkins, so that he may be apprised of the situation. Thank you for your time and consideration.

Sincerely,

John D. Rockefeller IV
